

## Zika virus guidance for providers

It is strongly recommended by the Virginia Department of Medical Assistance Services that all providers routinely access the Centers for Disease Control and Prevention (CDC) Zika virus Web page at [[cdc.gov/zika/](http://cdc.gov/zika/)] to obtain updated guidance. Providers can also sign up for email updates from the CDC by visiting [[service.govdelivery.com/accounts/USFDIC/subscriber/new](http://service.govdelivery.com/accounts/USFDIC/subscriber/new)].

### Covered insect repellent products

Effective [July 15, 2016], Anthem HealthKeepers Plus members are eligible to receive the formulations of commercially-available insect repellents noted below. Providers can prescribe [one] of the products listed below, which the member can fill under the retail pharmacy benefit.

FAMIS members will pay their applicable copay. Medicaid members do not have a copay. Members will be able to get one bottle/can per [30 days], with up to [two] fills allowable per calendar month, with a written prescription by the provider. **When used as directed, U.S. Environmental Protection Agency-registered repellents are safe and effective for pregnant women.**
